Better your skills on the hardwood as you learn to improve your game and have fun at the same time. Prepare to bring out your personal best with this one week clinic filled with instruction, fun, and inter-squad competition all focused on improving your skills while having fun at the same time. This clinic is open to anyone entering grades 4-8 whether they attend Woodland or not. Emphasis will be placed on shooting technique, ball handling, rebounding and defensive strategies. We will also take the time to learn some of the plays and defenses that successful high school, college and pro teams run. Sign up for your chance at improving your game now, but hurry because spots are limited. This clinic is supervised by Dawn DeLuca, Director of Athletics and run by Woodland alumni who have gone to numerous camps such as: Another Level Sports - St. Augustine Prep Invitational Only Basketball Camps - Prolific Sports Camp - Cumberland County Dukes Basketball Camp.
